Dear Friends,

Since 2012 my wife and I have been advocating for equalities for the Blind and other OKU children and youths to education and jobs in our nation. Thanks to the support we have been receiving from both the General Public and Corporates we have been able to help more than 100 Blind and other OKU youths gain jobs with many partnering Corporates. In addition to that we have also been able to provide sponsored online tuition to more than 200 Blind students studying in 11 Special and Mix national schools. But sadly we have to close down both our Special Learning School and our Experience Learning Centre Dialogue in the Dark in 2021 due to the MCOs lockdowns.

As the current situation is slowly but surely coming back to the norm we plan to first reopen our Special Learning School by October 2023 to continue our works to improve the education level of this often left behind Blind and other OKU students nationwide. For more info about the impact many of you have help us create please do visit our website at www.schoolodia.com

We now come to you again to appeal to your kindness once again to help us raise the much needed funds to restart and relaunch our School ! We need at least RM300,000.00 for :

1. 1 year Access to the Special Learning platforms for 100 OKU students RM100,000.00
2. 1 year Centre rentals and utilities RM70,000.00
3. 1 year Salaries for 4 OKUs and Special Learning Tutors RM120,000.00
4. Rental and Utilities Deposits RM10,000.00

We pray that you asides from contributing towards our need will also help us to disseminate this information to your circle of friends. You can either donate to us via this QR Code or transfer to our Accredited Social Enterprise DIA Academy Sdn Bhd account at :
